

Formal Ceremony

Award the title of Professor Honoris Causa to Prof.Dr. Nelson Lima from the University of Minho, Portugal

Friday, March 18th 2016

Auditório do CCB/UFPE, Av. Prof. Moraes Rego, 1235 - CDU, 50670-901,
Recife, Pernambuco, Brazil

Nelson Lima is Full Professor of University of Minho-UMinho (Braga, Portugal). His research field is related with food and environmental mycology and fungal biotechnology. Since 1996 he is head of the Portuguese Culture Collection of Filamentous Fungi *Micoteca da Universidade do Minho-MUM*, which is hosted at Biological Engineering Centre-CEB/UMinho. He has been evaluator or consultant of different funding agencies in Europe and Latin America. He has been partner of several EU, Portuguese and Brazilian research funding projects, with a remarkable and dedicated collaboration with researchers from the Brazilian State of Pernambuco. Based on his work in the Biological Resources in Brazil, Prof. Dr. Nelson Lima will be nominated *Professor Honoris Causa*, proposed by the Plenum of the Department of Mycology of the Federal University of Pernambuco (Recife, Brazil).

The ceremony will be at the coming March 18th 2016 at 3:00pm at the Federal University of Pernambuco (Recife, Brazil).
