

## *International Symposium*

### **Preservation of Biological Resources: Impact & Development on the Bioeconomy**

**Friday, March 18<sup>th</sup> 2016**

Auditório do CCB/UFPE, Av. Prof. Moraes Rego, 1235 - CDU, 50670-901,  
Recife, Pernambuco, Brazil

*Chairpersons: Rosane Schwan, CCMA-UFLA, Brazil & María de La Luz Mora, BIOREN-UFRO, Chile*

09:30 – 09:55

**microBiological ResourceCentres in Chile:preserving, exploiting &supporting the bioeconomy**

**Cledir R. Santos**, Director of the Chilean Culture Collection of Type Strains-CCCT/UFRO, UFRO, Chile

**María de La Luz Mora**, Director of the Scientific and Technological Bioresource Nucleus, BIOREN-UFRO, UFRO, Chile

10:00 – 10:25

**microBiological Resources: The global initiatives with regional impact in the Brazilian bioeconomy**

**Manuela da Silva**, Brazilian Member of the WFCC Board, Vice-Presidência de Pesquisa e Laboratórios de Referência, Fiocruz, Brazil

10:30 – 10:55

**Technologies for natural bioresourcesprotection**

**Cristina Diez**, Director of the Centro de Excelencia en InvestigacionBiotecnologicaAplicada al Medio Ambiente-CIBAMA, Universidad de La Frontera, Chile

11:00 – 11:25

**History of Mycology in Pernambuco: using mycological resources to underpinning the bioeconomy**

**Cristina Souza-Motta**, Director of the Micoteca URM Culture Collection, Universidade Federal de Pernambuco, Brazil

11:30 – 12:30 Visit to the Micoteca URM Culture Collection Facilities

**Cristina Souza-Motta & Neiva Tinti**

15:00 Formal ceremony to award Prof.Dr. Nelson Lima, University of Minho, Portugal with the title of Professor Honoris Causa

**Rector of the Universidade Federal de Pernambuco, Prof. Dr. Anísio Brasileiro**

**International Organising Committee**

Cristina Souza-Motta, Neiva Tinti & Norma Gusmão, Universidade Federal de Pernambuco, Brazil

CledirR. Santos, Universidad de La Frontera, Chile
